I recently purchased the beautiful 'initial' necklace in gold, it is gorgeous, so dainty and sparkly. I couldn't recommend Mike and the wonderful team at ODF enough. The necklace arrived wrapped with care and it is perfect! A lovely family business that cares for their customers which is important to me. Thank you Mike.

Mike helped my husband pick out my beautiful engagement ring diamond and design my ring style, whilst delivering on fantastic service and helpful advice. We also went back to Mike for my matching wedding band and my husbands wedding band too. Super friendly service and great after sales support on our rings. Would 100% recommend Mike and the ODF team!

I went to ODF to have 2 custom gold & diamond necklaces made for my twin daughters. I am extremely happy with them- such quality, beautiful pieces that the girls can keep forever. Mike and his team were amazing- their customer service was second to none, and their jewellery is beautiful and well made. Highly recommend!

My fiancé proposed with the most spectacular loose diamond, which ODF sourced specifically. We then worked with Mike to design my perfect engagement ring and I was speechless with the result! It was really special to be involved in the custom process. We had lots of communication throughout, super fast turn around and always friendly customer service from the team. Thanks again and see you soon for wedding bands!
